

SIGNATURE TEMPLATE

Preprinted School Information _____

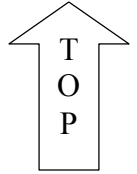

Print in blue or black ink! NO CURSIVE.

First Name

Last Name

Grade

Teacher

Create colorful artwork in the 8 ½" x 8 ½" space below line.

Reminder!

Keep important picture details and text (signatures, dates) at least 1" from edges of paper. Background colors and less important details **SHOULD** fill the page to the edges. *The reason for this direction:* Many products require us to overlap edges during our production process and if important details or text are closer than 1" to the edges of the paper, they will be cropped off. (Products requiring overlapping include: tiles, plaques, pot holders, bag tags, prints, key chains, mouse pads, keepsake boxes, hot plates, trinket boxes, ornaments) Please **DO NOT** draw pencil guidelines or leave border areas white.

SIGNATURE TEMPLATE DIRECTIONS

1. Cut out shaded rectangle area.
2. Place form over FINISHED artwork.
3. Write name and/or date within rectangle opening.

Young children do best when writing their name from left to right side of paper. If you want signatures to be on the bottom right side, turn template over)
