# ARTWORK DO'S & DON'TS

Follow these guidelines for product satisfaction.

| Reproduces Well on Products | DO | DON'T | Does Not Reproduce Well on Products |
|---|---|---|---|
| | Center drawing and fill the entire art paper. | Don't create off-centered or unfinished drawings. | |
| | Ensure borders are even and at least 1" wide. | Don't have uneven borders less than 1" around the edge. | |
| | Color darkly and fill entire surface area of art paper. | Don't use pencils, colored pencils, or lightly colored crayons — they will appear washed out on products. | |
| | Make drawing colorful! | Don't make art black and white only. | |
| | Keep important details — like signature and year — away from the edge. **Used signature template.** | Don't put name too close to the edge. Cropping will occur. **Didn't use signature template.** | |
