

Pop Art

4th grade / 3 class periods

Standards

VA:Cr2.1.4

Brainstorm multiple approaches to a creative art or design problem.

Materials

- Square 1 Art paper
- Pencil & eraser
- Markers

Instructions

Phase 1

- Show students examples of the art of Romero Britto. Discuss lines and colors he likes to use.
- Students should draw a block letter of their first name initial—draw big and filling the space.
- Draw 4 straight lines across the paper. Students may use a straight edge to guide them.
- Erase any lines inside of the letter.
- Fill in letter with various patterns (lots of pattern handouts available online.)
- Trace letter and patterns with black marker.

Phase 2

- Review Britto's pop art.
- Complete letter patterns and tracing with black marker.
- Add patterns to the background, a different pattern for each space.
- Trace pencil lines with black marker.
- Color background with various marker colors.

Phase 3

- Complete coloring.
- Sign name with black marker.
