

ARTWORK - DO'S & DON'T

Follow these guidelines for product satisfaction.

Reproduces Well on Products

Center drawing and fill the entire art paper.

Ensure borders are even and at least 1" wide.

Color darkly and fill entire surface area of art paper.

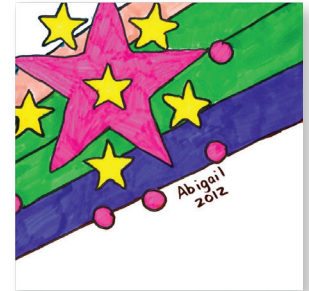

Make drawing colorful!

Keep important details — like signature and year — away from the edge. **Used signature template.**

Does Not Reproduce Well on Products

Don't create off-centered or unfinished drawings.

Don't have uneven borders less than 1" around the edge.

Don't use pencils, colored pencils, or lightly colored crayons — they will appear washed out on products.

Don't make art black and white only.

Don't put name too close to the edge. Cropping will occur. **Didn't use signature template.**
